QUOTE DETAILS

Ref Number: #1024

Issued On: 09/13/2026

Valid Until: 10/13/2026

Project Scope Overview

By combining intuitive design with robust backend architecture, the project will enhance efficiency and deliver measurable growth.

What type of website do you need?

Custom E-commerce Store with Next.js and Headless Shopify

What is your primary goal?

Direct-to-consumer sales, customer portal, and international shipping

Which features are needed?

- User authentication & profiles
- Stripe payment gateway
- Real-time order tracking
- Custom product configurator
- Live chat support integration

Do you have existing design mockups?

Yes, full Figma prototypes will be supplied

Who will provide the content and copywriting?

Client will provide brand assets; copywriter assistance needed for 5 landing pages

What SEO features are required?

- On-page technical SEO audit
- Schema.org structured data
- XML sitemap submission
- PageSpeed Core Web Vitals optimization (>90 mobile score)

Do you need multi-language support?

English and Spanish with automatic geo-detection

What third-party integrations do you require?

- Klaviyo email marketing
- Google Analytics 4 & Meta Pixel
- ShipStation logistics webhook

What are your security and compliance needs?

- GDPR / CCPA consent banner
- PCI-DSS Level 1 compliance checkout
- SSL encryption throughout

What is your post-launch support preference?

30-day warranty followed by monthly retainer maintenance package

Describe any special performance benchmarks

Sub-second initial server response time across US and EU CDNs

Hosting infrastructure preference

Vercel Enterprise with AWS S3 asset bucket

Do you require CMS admin training?

Yes, 2 recorded video walkthrough sessions for staff members

Any additional notes or custom requirements?

Ensure seamless migration of 1,200 existing customer records and order histories

ESTIMATED TIMELINE

45 Days

INVESTMENT TOTAL

\$4,500.00

Acceptance of this quote binds the client to the agreed delivery timeline and total investment.

Note: Time spent waiting for client replies does not count towards project deadlines.
